Notice of acceptance for your patent application

Collison & Co
Gpo Box 2556
Adelaide SA 5001
Australia

Application number: 2014220784
Applicant name: Jorge De La Sovera
Your reference: 65573 DIA:RA

Dear Applicant,

Your patent application has been examined and was accepted on 22 September 2017. The accepted specification incorporates the following amendments:

PCT: WO2014/128175
S104 amendments up to and including item number: 1

The total number of claims at acceptance has been reported as: 8

What you need to do now

- Check your details – attached to this letter are the details of your application at acceptance. Some of these details may be displayed on the Certificate of Grant. Please review your details to ensure that they are correct.

What will happen next

- An Invitation to Pay (ITP) the acceptance fee will be issued to you - this fee will include an additional component if the number of claims exceeds 20.

Did you know? Less than 2% of accepted standard patent applications are opposed
• **Opposition period** – interested third parties have 3 months from the advertisement date to oppose grant of your patent application.

• **Grant** – we will endeavour to grant your patent application within 20 working days after the opposition period has expired, provided no-one has opposed your application and any applicable fees have been paid.

Details of your patent application can be viewed on [AusPat](http://AusPat), our Australian patent search database.

Yours sincerely,

IP Australia
